D. J. Carson H. Charnock P. G. Drazin J. S. A. Green
P. R. Jonas M. J. Miller J. A. Pyle C. D. Rodgers P. M. Saunders

The primary purpose of the Journal is to publish results of original research and reports of the Society's meetings.

Papers intended for the Journal should be prepared in accordance with the standards laid down by Council in the Society's memorandum *Preparation of Papers for the Quarterly Journal*. This memorandum is available free on request and authors are urged to consult it at an early stage. **Failure to conform with these standards may delay publication.**

Authors should submit three copies of any paper, each complete with diagrams.

Papers from non-members must be communicated by a Fellow or Foreign Member, who is expected to have satisfied himself that the paper, as submitted, is suitable, both in content and presentation, for consideration for the Journal.
